Bureau of Census
U. S. Department of Commerce
Washington, D. C. 20233

Subject: Letter Request No. 67-300/10

Reference: Bureau of Census File Reference No. 53-67-12
dated 30 June 1966

Gentlemen:

This Agency desires the Bureau of Census to provide necessary services for the modification of a [redacted] Light Table, Model GFL 918, Serial No. 1068, now in your possession.

STA

The modification consists basically of relocation of the lower reel mounts to afford better use of the light table.

Technical information and related matters will be handled on the part of this Agency by [redacted]

STA

Funds in the amount of [redacted]

STA

[redacted] have been allocated to reimburse the Bureau of Census for services rendered. No expenditure above this amount may be made without supplementary authorization. As reimbursement is desired, it is requested that Standard Form 1089, citing appropriation symbol (11x2150 Operations General), be prepared and forwarded to the Office of Finance, CIA, referencing this letter as authority.

Very truly yours,

SIGNED
